Washington, DC 20231

Dear Sir:

In response to the Office Action dated June 18, 2003, please amend the above-captioned application as follows:

In the Claims:

Please amend Claim 1 as follows:

- Sub
C1
B1
1. (amended) A computer system including plural client nodes communicating data access requests to one or more storage nodes, comprising:
- logic means for associating one or more of the data access requests with respective priorities, wherein the priorities include time-based deadlines;
- logic means for sending the data access requests and priorities to the storage nodes; and
